

## Chief Executive Officer of the Irish Equine Centre

### The organisation

The Irish Equine Centre (IEC) is a world-leading, award-winning diagnostic laboratory and research facility based in Johnstown, Co. Kildare and focused on protecting the health of the Irish equine herd. A registered charity, the IEC is the largest diagnostic facility in Ireland dedicated to equine and animal science and offers a unique service to the equine industry 365 days a year.

### The role

The Irish Equine Centre is seeking an ambitious, commercial, and energetic leader with strong commercial acumen. The CEO will be responsible for the day-to-day management activities and the operations of the IEC and will develop new business streams, build strong alliances with key industry stakeholders and demonstrate energy and enthusiasm for innovation and change.

### The person

The ideal candidate should be able to demonstrate a strong track record in senior management with significant experience in leading and influencing across a diverse stakeholder environment. They will have extensive experience across areas such as finance, strategy, innovation, change and corporate governance. They will ideally demonstrate knowledge of and understanding of the equine industry.
